

ICMAA 2022

The 9th International Conference on Matrix Analysis and Applications

June 15-17, 2022

Department of Mathematics

University of Aveiro, Portugal

<https://sites.google.com/view/icmaa2022>

This meeting aims to stimulate research and interaction of mathematicians in all aspects of linear and multilinear algebra, matrix analysis, graph theory and their applications.

Keynote speaker: Peter Šemrl, University of Ljubljana, Slovenia

Invited speakers: Natália Bebian, University of Coimbra, Portugal

Chi-Kwong Li, College of William and Mary, USA

Organizers

Enide Andrade (organizing committee Chair), University of Aveiro, Portugal

Rute Lemos, University of Aveiro, Portugal

Tin-Yau Tam (organizing committee co-Chair), University of Nevada, USA

Qing-Wen Wang, Shanghai University, China

Fuzhen Zhang, Nova Southeastern University, USA

Local organizing committee

Enide Andrade, João Pedro Cruz, Rute Lemos, Sofia Pinheiro

Department of Mathematics, University of Aveiro

Sponsors

This conference is supported by The Center for Research and Development in Mathematics and Applications (CIDMA) through the Portuguese Foundation for Science and Technology (FCT – Fundação para a Ciência e Tecnologia), reference UIDB/04106/2020, and by International Linear Algebra Society.
